## OBJECTIVE

Seeking to obtain a challenging and rewarding web developer position where I can utilize my knowledge, proficiency, and skills to contribute to the company's growth.

## EXPERIENCE

### Terra Eclipse - Santa Cruz, CA

**2011 - Present**

#### Web Developer / NodeJS Developer

Developed end-to-end web applications using latest web technologies and standards. This included content management driven systems as well as modern interactive websites.

- ❖ Developed one-page apps using frameworks such as Backbone.js, Marionette.js, Angular.js
- ❖ Used wide array of databases including MongoDB, Redis, MySQL, and Elasticsearch
- ❖ Integrated web API into websites and applications including social media sites, analytics, etc
- ❖ Experience with templating libraries such as Mustache, Handlebars or Underscore.
- ❖ Contributed user interface mockups and designs concepts for the web applications and websites
- ❖ Performed extensive cross-browser debugging
- ❖ Converted graphic concepts into pixel-perfect web pages
- ❖ Developed websites with modern concepts in mind such as responsive design and adaptive web design
- ❖ Trained and mentored teammates

#### PHP / Front-end Developer

Created and deployed complex, fully-featured websites using Drupal Content Management System, integrating custom programming with existing third-party modules.

- ❖ Back end development of websites using PHP and MySQL.
- ❖ Developed and maintained custom Drupal 6 and 7 modules that performed a variety of operations including payments process, social media login authentication
- ❖ Maintained complex CMS-driven websites including a social media network with up to 200,000 users
- ❖ Implemented custom DRUPAL themes from scratch
- ❖ Developed websites taking into account usability and SEO
- ❖ Built custom UI framework using Javascript and JQuery

### Independant Web Development

**2009 - 2011**

- ❖ Developed WordPress and handwritten websites for clients on a contract basis.
- ❖ Established project scope and designed concepts.
- ❖ Private consultation for independent and small business owners.
- ❖ Responsible for regular maintenance and updates to each website. Social Media setup and linking.

## QUALIFICATIONS

- ❖ Reliable self-starter with strong work ethic and interpersonal skills.
- ❖ Strong team player with the ability to effectively manage and motivate groups towards goals.
- ❖ Ability to support multiple projects and meet aggressive deadlines
- ❖ Excellent communication, leadership and presentation skills
- ❖ Ambition for personal growth and higher knowledge
